The Legal Nurse Consultant

A Legal Nurse Consultant is a Registered Nurse who brings specialized education and clinical expertise to the medically related issues of the litigation process. Legal Nurse Consultants review and analyze medical records and provide informed opinions on health care delivery and the resulting outcomes.

The Online course, 'Introduction to Legal Nurse Consulting' will provide you with the core skills and knowledge of the LNC; potential roles of the LNC, legal process and terminology with significant focus on two of the essential core skills for the LNC, medical record analysis and report writing. Learn in your own way and on your own time. This course has been designed to maximize your learning through the use of the latest online learning technologies including narration, audio, animation and frequent quizzes so that you can check your learning retention as you go.

Chris Rokosh RN, PNC(C), LNC, Canada's most experienced and trusted educator of Legal Nurse Consultant, is the developer of the online course 'Introduction to Legal Nurse Consulting'. Chris has over 30 years of nursing experience and has provided expert opinion on hundreds of medical malpractice cases in her successful career as an LNC. Chris is a dynamic educator with the knowledge and experience to guide you into this exciting new career path.
